How is the Scholarship Funded?
The SCAUG Collaborative Scholarship is sponsored through a partnership between SCAUG and contributions from the private community.

What is the Scholarship?
The SCAUG collaborative scholarship has been created to
• assist in furthering the education and training of traditional and non-traditional students in geo-spatial sciences
• promote and support the increase of knowledge and proficiency of geo-spatial sciences in the SCAUG community
• recognize and encourage scholastic and professional accomplishments in the geo-spatial field
• encourage the exemplary goals of students and professionals who are working toward their undergraduate or graduate degree in/or related to geo-spatial sciences.

How many scholarships are available?
Seven scholarships are available.
• Four scholarships of $500 will be awarded to non-professional traditional graduate or undergraduate students.
• Three scholarships of $500 each will be awarded to professional non-traditional graduate or undergraduate students.

How will the recipients be selected?
The scholarship recipients will be selected by the OK SCAUG steering committee and will be based on meeting eligibility requirements and merit as provided in the application.

How will the scholarships be presented?
The scholarships will be formally awarded at the annual OK SCAUG conference on October 20th, 2009. The conference will be held at the Moore-Norman Technology Center in Oklahoma City.

How do I apply?
Eligibility
• Must be a registered student, in good standing, in a recognized university, community college, or technical institute in Oklahoma.
• Must be enrolled in a course of study in the field of geo-spatial sciences for the current and upcoming semester.
• Must be SCAUG members (membership included in conference registration fee).
• Must be in attendance at the OK SCAUG conference (October 20th, 2009).
• Students awarded a scholarship are not eligible in any subsequent year.

Application:
Interested students must submit an application including all of the following:
• Sealed official transcript(s) of all undergraduate or graduate education
• Confirmation from Department Chair of enrollment in a geo-spatial related program at a recognized university, community college, or technical institution in Oklahoma
• Signed, sealed, original letter of recommendation from one faculty member
• A one page statement (single-spaced) from the student outlining specific goals related to their education and subsequent accomplishments
• SCAUG membership must be valid during application and awards process

You MUST include a Scholarship Application Form which can be found on the following page or the SCAUG Website (www.scaug.org). Only applicants who meet ALL REQUIREMENTS will be considered.

Deadline – October 1st, 2009
